Proverbs 14:1-35 (ERV)-wise woman makes her home what it should be, but the home of a foolish woman is destroyed by her own actions. **2** Those who live right respect the LORD, but dishonest people hate him. **3** Foolish words cause you trouble; wise words protect you. **4** A barn with no cattle might be clean, but strong bulls are needed for a good harvest. **5** A good witness is one who does not lie. A bad witness is a liar who cannot be trusted. **6** Anyone who makes fun of wisdom will never find it, but knowledge comes easily to those who understand its value. **7** Stay away from fools, there is nothing they can teach you. **8** Wisdom lets smart people know what they are doing, but stupid people only think they know. **9** Fines are needed to make fools obey the law, but good people are happy to obey it. **10** When you are sad, no one else feels the pain; and when you are happy, no one else can really feel the joy. **11** An evil person's house will be destroyed, but a good person's family will do well. **12** There is a way that people think is right, but it leads only to death. **13** Laughter might hide your sadness. But when the laughter is gone, the sadness remains. **14** Evil people will be paid back for the wrong they do, and good people will be rewarded for the good they do. **15** Fools believe every word they hear, but wise people think carefully about everything. **16** Wise people are careful and avoid trouble; fools are too confident and careless. **17** A quick-tempered person does stupid things, but it is also true that people don't like anyone who quietly plans evil. **18** Fools are rewarded with more foolishness. Smart people are rewarded with knowledge. **19** Good people will defeat those who are evil, and the wicked will be forced to show respect to those who live right. **20** The poor have no friends, not even their neighbors, but the rich have many friends. **21** It is wrong to say bad things about your neighbors. Be kind to the poor, and you will be blessed. **22** Whoever works to do good will find love and loyalty. It is a mistake to work at doing evil. **23** If you work hard, you will have plenty. If you do nothing but talk, you will not have enough. **24** A wise person's reward is wealth, but a fool's reward is foolishness. **25** A witness who tells the truth saves lives, but one who tells lies hurts others. **26** People who respect the LORD will be safe, and they will make their children feel secure. **27** Respect for the LORD gives true life and will save you from death's trap. **28** Kings of large nations have great honor. Rulers without a country have nothing. **29** A patient person is very smart. A quick-tempered person makes stupid mistakes. **30** Peace of mind makes the body healthy, but jealousy is like a cancer. **31** Whoever takes advantage of the poor insults their Maker, but whoever is kind to them honors him. **32** The wicked will be defeated by their evil, but good people are protected by their honesty. **33** A wise person is always thinking wise thoughts, but a fool knows nothing about wisdom. **34** Goodness makes a nation great, but sin is a shame to any people. **35** Kings are pleased with intelligent officials, but they will punish shameful ones.
